Late Collection Notice will be subject to a \$100.00 fee IF a Late Notice Collection can be accommodated. The Breeder also cannot guarantee that every shipment will get more than one dose of semen. It is understood and agreed that Secret Hills Ranch, the stallion owners nor collection agency/vet is responsible for the untimely arrival or quality/condition of the transported semen as we have no control over the shipment after it leaves our hands. Although we strive to send our customers 2 doses of semen we are at the mercy of what the stallion gives us each collection, therefore we cannot guarantee more than 1 dose of semen per shipment. The Collection fee is the same price regardless of the amount of semen shipped. Semen shipments are First come, first served! The booking fee, chute fee, stud fee, collection fees, mare care fees, or any other fees associated with this breeding are non-refundable once received and must be paid in full prior to semen being shipped. 20% interest will be charged on all accounts in excess of thirty days. This contract is governed by the laws of the State of California, County of San Diego.

2. Live Foal Guarantee/Rebreed Privileges shall apply **ONLY TO THE NEXT NORMAL BREEDING SEASON** the Contract will become Null and Void after two breeding seasons! If the Mare miscarries or aborts during this breeding season the Mare Owner has the option to request additional semen for the Mare the Next Breeding Season. To obtain a Re-Breed breeding the following season via the Live Foal Guarantee/Rebreed, Mare Owner must pay a \$200.00 Rebreed Fee plus Shipment(s) of Semen. A Live foal is a newborn foal that stands and nurses without assistance. If at any time during the foaling year the foal is born dead or Mare proves not to be in foal, the Live Foal Guarantee/Rebreed shall apply only if The Breeder is provided with a licensed veterinarian's statement confirming such conditions. The Secret Hills Ranch Live Foal Guarantee will follow the mare, permitting any subsequent owner of the Mare if sold "in-foal" to invoke this guarantee pursuant to all terms and conditions of this paragraph upon payment to Secret Hills Ranch of the \$200.00 Rebreed fee. If the Mare aborts or does not produce a live foal after two breeding seasons for any reason the Stallion owner has full discretion of allowing the Mare to return for a third season. If a third season is allowed the Rebreed fee plus shipment(s) of semen will be due. **Contracts not used will be considered null and void after two breeding seasons and any monies paid will be forfeited. If different dates are needed we will do our best for international customers and/or special circumstances i.e. Customers in cold climates wanting to breed later in the year. We cannot guarantee that we will be able to accommodate those needing to breed outside of our breeding season, but will do our best to accommodate anyone needing to breed at any time of the year.

4. It is further agreed that should the above named stallion die, or become unfit for service, during the breeding season then the Mare Owner may breed the above named mare to another stallion owned by Secret Hills Ranch (IF another Stallion is available) that is agreed to by both the Mare Owner and Breeder. Subject to Stallion Owner - Breeder approval and availability of frozen semen, Mare Owner may also choose to use stored frozen semen from the stallion. 7. It is understood and agreed that the stallion owners, their family, heirs, ranch managers, affiliated veterinarians and anyone else directly or indirectly involved in this breeding are not responsible for any death, injury, illness or any other misfortune that may occur from this breeding to either the mare owner, the mare or the resulting foal. This includes but is not limited to artificial insemination, rectal exams, pregnancy of the mare, foaling of the mare, boarding and anything else to do with the breeding of the above named stallion and mare.

8. It is understood that ALL Cooled Semen Shipments are shipped in an Equitainer or Cardboard Shipper. It is the Mare Owners Responsibility to return the Equitainer within 5 business days. If a Cup Style Equitainer is being used the Cup Containing the semen and the black ballast bags MUST be returned as well. These parts are very expensive to replace. We recommend taping the lid of the Equitainer and Zip Tying the lid, then taping over the latch of the Equitainer to ensure that it arrives safely back to us.
